Awarded to

**Andrew Bryker**

*Committee Treasurer, Northridge Para Vista Scout Group*

Citation

Since receiving his Certificate of Merit in 2007, Andrew's skills and attitude towards his role as Committee Treasurer at the Northridge Para Vista Scout Group have continued to be a significant factor in the ongoing success and development of the Group.

Andrew supports the Leaders and has empowered them to expand their programs knowing financial support is there. Andrew's financials are up to date and audited, with over 70 Youth members this is quite a task. Andrew has implemented a system whereby one adult is responsible for the collection of funds for each Section, they report to him. Overseeing these systems and mentoring his Team, the Group has benefited with the Leaders having no responsibilities with the collection of event or membership fees.

Andrew's assistance with the development of others, recruitment of Committee members and his support of the Youth are a significant reason the Group has the facilities and resources to provide experiences that Scouting strives to provide. Andrew facilitated the renovations and improvements to the hall.

Actively involved in the Group and District, Andrew ensures activities are well supported by the Group, providing funding assistance, transport and other requirements.
