

Mrs Christine Ward

Staff (SOC)

Special Service Award

Awarded: 1 Aug 2015

Christine is an enthusiastic member of the Northridge Para Vista Scout Group, holding the role of Committee Chairman. Through her innovative ideas and carefully persuasive manner, the Group has moved ahead both in the standard of facilities and equipment but more importantly in membership growth.

Whilst not a core role of the Committee Chair, Christine provides invaluable assistance in the planning of Group activities, camps, training, supporting all Leaders whatever the task. Her experience as an Assistant Cub Scout Leader brings an understanding of the challenges facing Leaders in the Group.

Christine has also been a valued member of the Comedy Capers Team since 2011.

“If the kids will enjoy it, we should try it” is Christine’s catch-cry.
