

# Mr Peter Hooper

## Joey Scout Leader

### Silver Arrowhead

Awarded: 1 Aug 2011

Peter is a Leader who dedicates a vast amount of time to his role in Scouting, well above and beyond his appointed role in Scouting at a Section, Group, District and Branch level. Since his last award Peter has grown his Joey Mob into one of the largest in the District with a strong leadership team to work with. As a Personal Leader Adviser he has mentored these Leaders and other Leaders within the District to provide them with the skills necessary to run exciting, fun Joey Scout programs.

The Northridge Paravista Group benefits from Peter taking on the additional role of Leader in Charge in the absence of a Group Leader, a role he carries out effectively in allowing the Group to continue to operate. He approaches any challenge with an open mind and with the desired outcome being the best possible Scouting for the Youth Members.

Peter has also represented the District at Branch level Joey Leader meetings, always taking information back to the Leaders in the District to keep them informed. This involvement was a key component of the Carisbrooke District being involved in the Hoporee.

Peter continues to strive for the development of the Northridge Paravista Group and he is always looking for new Leaders to inject enthusiasm into the Group. He is fully committed to Scouting and is a highly deserving recipient of this award.
